Mr Jacky

Why You Should Read This Book

The Chocolate Touch is a fun and interesting book. The story is about a boy named John Midas, who loves chocolate more than anything else. One day, something magical happens. Everything John puts in his mouth turns into chocolate! This is a modern twist on the myth of King Midas.

Easy to Read

This book uses simple and easy words. The sentences are short. This makes it good for students who are learning English. You do not need to worry about difficult words. The story is easy to follow and understand.

Fun Story

The story is funny and exciting. At first, John is very happy because he can eat chocolate all the time. But soon, he has some problems. He cannot eat normal food. Even water turns into chocolate! John learns that too much chocolate is not good. He understands that we should not be greedy.

What I can learn

This book teaches us an important lesson: too much of something, even if we love it, is not good. It also shows that we must listen to parents and teachers. John learns from his mistakes and becomes a better boy.

Try This Book!

If you like chocolate, or if you like magic stories, you will enjoy this book. It is funny, easy to read, and teaches you good lessons. I think you will love The Chocolate Touch!
